As you can see by the match results, the number of shooters has been dropping off over the years. Even though we have fewer shooters, we still need the same number of people to run these matches. There are a few people that can be counted on to lend a hand on a regular basis, but it's not fair that these people should have to do it all the time. As a member of this league, you are expected to help out at a match at least once a year. That's not a lot to ask for. Why should a few people have to do all the work while the rest of you just shoot and leave? If this league is to continue we need your assistance. The sign up sheet is at every match. Sign up and remember the date and time slot you signed for. If you are scheduled to work please be at the range at your assigned time, if you can't make it call me so I know who to expect. And remember each time you sign up and show up your name is entered in our drawing held at the year-end banquet and you may win a \$100.00 prize.
