Our first match at Shoot Point Blank range went pretty well. There were a few glitches that we hope to avoid in future matches. A few of the modifications will be ---

Targets will **not** be scored on the line – I thought it was a good idea, but it just doesn't seem to work.

There will be 2 sign-in sheets for 1 gun & 2 gun shooters – we're going to try to get all the 1 gun shooters on the same line

Eliminate 3 minute prep time – as soon as you get on the line hang a target and start your set-up.

These changes should help speed things up. We only have 2 hours to get all our shooters through. If someone has problems, it stops everybody on the line, If you stand and gawk at your target it delays everybody on the line, if you have a major gun problem, it stops everybody on the line. Please be considerate of the other shooters, any unnecessary delay you cause delays everybody on your line.
